Head Teacher: Mrs L Berkeley, M.A.

6th December 2018

Dear Parents/Carers

Each year the governors survey the parents and carer's of our pupils to gather feedback about the school; what we do well, and areas where you feel we can improve.

Many thanks to everyone that completed one of the survey's during the Summer term.

To ensure maximum feedback; in addition to us handing out the questionnaires at class assemblies, we wrote to all Year 6 parents and publicised the survey in the weekly newsletter.

The results of the survey can be found on the school website within the Governor News section. If you would like a paper copy, please call in and request this from the school office.

We received over 100 responses which represent approximately 81% of our families. We are delighted with this level of response and that the overall results have improved on last year; comparing most favourably with OFSTED national data.

The areas where feedback was sought or where you indicated aspects of school life that you felt that we could improve on have been carefully considered and these are reflected in the survey report.

If you have any further follow up questions in relation to the survey please feel free to contact the school to discuss.

If you would like to find out more about the work of the Governing Body, please contact the school to arrange an appointment with either the Chair or Vice Chair of Governors; Mr Malcolm Bailey and Mrs Tracey Stoney. We are both in school weekly and would be delighted to discuss with you the work that we do to support the school. If you are interested in finding out more about the role of a parent governor please speak to Mrs Berkeley who can arrange a mutually convenient time to meet.

Yours faithfully

Malcolm Bailey
Chair of Governors
