Monday 5th November 2018

Dear Parents/Guardians,

After research conducted by the School Council, we have introduced many new, healthy menu options to the Winter Menu. Some of these options may be unfamiliar to your child, and we appreciate that your child may not wish to choose one of these options without tasting it first. As a result, we have introduced 'tasters' which are available from this week.

At lunchtime, your child may choose to have a packed lunch, but they are also able to try the school dinner option for that day to see if it is something they may be interested in choosing in the future. They have a choice of whether they would like a small 'taster' of either the main option or the vegetarian option. On the day(s) that your child would like a 'taster,' they should inform their class teacher during the dinner register so that it can be ordered.

This is an excellent opportunity for your child to try new, healthy options, and we hope that your child will enjoy the new menu!

Yours sincerely,

Miss Rebecca O'Keeffe
Healthy Schools Ambassador
