

School Provision over Easter Holidays (6/04/20 - 17/04/20 inclusive). Schools are remaining open only for the children of Key Workers critical to the ongoing management of Covid-19, that are unable to safely stay at home. If there is an alternative adult, such as a partner or second parent, who is not a critical worker parents may be questioned as to why the child/ren is/are not able to stay at home as per the Government's guidance. If the other adult is working at home or able to take leave from their non-critical job, this will be deemed as a safe alternative (as per Essex LA guidance for schools). Currently **our school does not intend to be open** over the Easter Holiday Period as there is presently no demand in line with the latest Government Restrictions on childcare provision. However, should you meet the criteria, as detailed in the above paragraph, and your circumstances as critical workers suddenly change in such a way that you have no alternative and require our assistance, please email the school under the subject title 'Critical Worker Childcare Required'. Please use the admin email address (admin@st-andrewscofe.essex.sch.uk) which will be monitored on a daily basis, providing a minimum of 24 hours' notice, so that we can arrange a provision to meet your needs.

We hope you are enjoying a break from the home learning timetable and are able to do Easter activities! There will be no newsletter next week. In the meantime: **Have fun, stay in and stay safe.**

An Easter Blessing

May the God of Easter, who brought to life again from the dead our precious Lord Jesus, bring you his life and joy this Easter, keep you well and safe and full of blessings, and help you to give and receive love in these days of crisis, and the Blessing of God Almighty, the Father, the Son and the Holy Spirit, be with you today, and always. Amen.
