Messy Church's 4th Birthday

This Sunday is Messy Church at St Andrew's School, we are celebrating our 4th birthday and hoping to enjoy good weather which will give us all an opportunity to test the kites we make to see if they fly! We still have some spaces available so if you like soul space at school why not come along and take part in Messy Church? Email messychurch@marksteychurch.org.uk to book your family's space.

We look forward to seeing you.

Remember sun protection, hats and water bottles in the warmer weather!

Community Picnic

On Wednesday 30th May (half term week) there will be a Community Picnic from 12-4pm on the playing field at Marks Tey Parish Hall. This is open to all ages with no need to book, just bring along your picnic. Juice and hot drinks are available for a voluntary donation. If the weather is not nice enough to be outside, it will be held inside in the halls. We hope you can join us!

Fun Run Day: Please look out for Sponsorship Forms which are being sent out this week.

Congratulations...

...to Jane Sibley who has just celebrated her 35th year working at St Andrew's.

The occasion was marked by Year 6 writing a special poem which they read out in assembly before presenting Jane with flowers. All children, staff and governors would like to express their appreciation of Jane's dedication over the years in many roles including supporting children, first aid, serving food and providing transport to name just a few.

News from the Kitchen:

Please see reverse for a special **Pizza Party Menu** which will be on offer next Thursday, 17th May. Weather permitting, this will be eaten outside accompanied by music. This is an ideal chance for any Key Stage 1 children (who are entitled to a daily free meal) to try a school lunch if they have not had one before.

County Vacancies

Bikeability, who run the former Cycle Proficiency scheme, are looking to employ some more instructors in this area. They offer flexible hours, good rates of pay (from £10.00 per hour) and provide a uniform.

Dear God, Thank you for all the opportunities we have for learning. With our SATs approaching, help us to develop resilience when we find things difficult so that we can do our best.

Amen. By Jessica and Sophie (Year 6)
